

Admission Procedure

The admissions to the Diploma, UG and PG courses start soon after the results of H.S.C. and the final year Graduation are declared. Advertisement regarding the admissions for various courses of the institution is published in the regional and national (print and electronic) media; and the same is displayed on the Institutional Website <http://www.navsahyadri.edu.in> The 'Information Brochure' is prepared and Hard copy of the 'Information Brochure' is provided to the students at the time of admission.

The admission for all the courses are merit based. The college follows the University guidelines and the procedures. Admissions to all courses are given on the basis of merit of their previous qualifying examination.

For admission student have to take registration & admission form, from the college & has to submit filled registration & admission form along with necessary document required for admission.

After registration, the admissions lists are published on merit basis. The admission process is completed in a big hall in the presence of all students and admissions are finalized on the same day same time. Though there is provision for management quota, institution has been admitting students on the basis of merit only, without utilizing management quota. Hence the whole admission process is transparent.
